

## NCUA Guarantees New 2-Year Community Investment Fund CDs

*Offering Open to New Investments or Current Investment Transfers*

The NCUA has authorized Corporate One Federal Credit Union to offer a 2-Year Community Investment Fund (CIF) CD fully guaranteed by the federal government. The NCUA guarantees all principal and quarterly fixed-rate dividend payments during the 2-year term.

### **Transfer Immediately Without Penalty**

If you have an existing CIF 90-day notice Share account, you can transfer all those funds to a CIF CD immediately without penalty.

The 90-day notice requirement will be waived when you withdraw from your CIF Share Account (S-115) to transfer directly to a CIF CD (C-40 Account).

### **Lock in a Fixed Rate**

You can lock in a fixed rate with a Federally-Guaranteed 2-Year CIF CD that will increase what you are earning now on your CIF 90-day Share Account.

### **Add Funds to Your Current CIF Share Account at the Higher Rate**

At the same time, you also have the option to add funds to your investment at the higher Federally Guaranteed 2-Year CIF CD fixed rate.

### **Your CIF investment will also benefit the larger credit union community.**

The Federally Guaranteed 2-Year CIF CD donates half of the dividend to the National Credit Union Foundation and the Ohio Credit Union Foundation.

So when you generate a higher dividend on your CIF investment, you will help provide critically needed programs and grants to more credit union members in Ohio and across America.

### **See What Your Investment Supports**

When you transfer to the new Federally-Guaranteed 2-Year CIF CD, you will help provide more credit union members with critically needed programs and grants.

### **Open A New Community Investment Fund Guaranteed 2-Year CD**

Opening a new CIF CD is as easy as contacting the Corporate One Federal Credit Union investment department at 800-366-2677.

You can transfer to, add-to, or open a new guaranteed 2-Year CIF CD today and contribute to local, statewide, and national outreach efforts that instill in others the relevance of *People Helping People*.
