Fred got home from his Sunday round of golf later than normal and looking very tired. "Bad day at the course?" his wife asked.

"Everything was going fine," he said. "Then Harry collapsed and died on the 10th tee."

"Oh, that's awful!"

"You're not kidding. For the whole back nine it was hit the ball, drag Harry, hit the ball, drag Harry."

driver's windshield. The car went out of control, crashing into five other cars and a fire truck. The fire truck couldn't make it to the fire, and the building burned down. So, what are you going to do about it?" The golfer thought it over carefully, then replied, "I think I'll close my stance a little bit, tighten my grip and lower my right thumb."

the hands of a skeleton lying near an old golf ball. In a panic, Jim calls out to his golfing partner: "Hey Dora, come quick, I got trouble!" Dora comes running over to the edge of the ravine and calls down: "What's the matter, Jim?" Jim shouts back: "Throw me my 7-iron! You can't get out of here with an 8-iron."

Two golfers were playing near the edge of the course. One of them gazed across the fence and snorted, "Look at those idiots over there ice skating in this blizzard!"

A foursome of golfers watch a lone player play up short of the green they are on. As they tee off at the next hole they watch the lone player quickly chip on and putt out. He runs to the tee where the foursome is. He looks at the bewildered players and says: "I say chaps, could I play through? I've just heard the wife has had a terrible accident."

A schoolteacher was taking her first golfing lesson. "Is the word spelled p-u-t or p-u-t-t?" she asked the instructor. "P-u-t-t is correct," he replied. "Put means to place a thing where you want it. Putt means merely a vain attempt to do the same thing."

A golfer goes into the pro shop and asks if they sell green golf balls. The mystified pro asks why in the world the golfer would want green golf balls. "Because," he replied, "they'd be so much easier to find in the sand traps."

Two ants were in a sand trap watching a duffer flailing away. "Quick," said the one ant to the other. "Get on the ball before he kills us."

After a particularly poor game of golf, a club member skipped the clubhouse and started to go home. As he was walking to the parking lot to get his car, a policeman stopped him and asked, "Did you tee off on the sixteenth hole about twenty minutes ago?"

"Yes," the golfer responded.

"Did you happen to hook your ball so that it went over the trees and off the course?"

"Yes, I did. How did you know?" he asked.

"Well," said the policeman very seriously, "Your ball flew out onto the highway and crashed through a

The bride came down the aisle and when she reached the altar, the groom was standing there with his golf bag and clubs by his side. She said, "What are your golf clubs doing here?" With a puzzled look, he replied, "This isn't going to take all day, is it?"

Jim and Dora are out golfing. Jim slices his ball deep into a wooded ravine. He grabs his 8-iron and proceeds down the embankment into the ravine in search of his ball. The brush is thick, but Jim searches diligently and spots something shiny. As he gets closer, he realizes that the shiny object is an 8-iron in

A retiree was given a set of golf clubs by her co-workers. Thinking she'd try the game, she asked the local pro for lessons, explaining that she knew nothing about the game. The pro showed her the stance and swing, then said, "Just hit the ball toward the flag on the first green." The novice teed up and smacked the ball straight down the fairway and onto the green, where it stopped inches from the hole. "Now what?" the woman asked the speechless pro. "Uh. . .you're supposed to hit the ball into the cup," the pro finally said, after he was able to speak again. "Oh great! Now you tell me," said the beginner in a disgusted tone.
